

WOMAN OWNED SMALL BUSINESS  
HUB ZONE CERTIFIED

GovDirect is a leading provider of IT and AV solutions for federal, state and local governments, as well as healthcare and education customers. Our management team combines over 20 years of experience with GSA schedule authorization and the ability to provide NETCENTS, ADMC-2, NCEMSC and National IPA pricing.

Our team's extensive experience in the industry gives us the ability to provide you with a complete range of services at reduced procurement costs, plus expert consulting, designing, implementing and long-term management of customized solutions.

What sets GovDirect apart from other companies is that we're not just an IT and AV provider — we're your partner. We assess your needs, create a unique solution for your business, provide you with training, monitor your systems, offer support and assist you with upgrades. We're there for you every step of the way.

At GovDirect, "Building Solutions Everyday" isn't just a tagline, it's our mission. We value the trust our customers have placed in us to take care of the critical aspects of their business. We work hard at what we do so you can focus on what's most important: growing your business. Your success is our success.

## CONSULTATIVE PRODUCT AND DESIGN SERVICES

GovDirect provides everything from computers, servers and printers to networks, software and phone systems to presentation, digital signage and video conferencing systems. Our strong relationships with manufacturer partners enable us to provide consultative services on what to buy at a price that meets your budget. Once we determine what your business needs, we'll create a plan, set it all up and train you how to use it. We'll even help you move and reinstall if you relocate.

## MANAGED IT SERVICES AND SUPPORT

After you are up and running, we have a wide range of affordable products to keep you up and running. GovDirect can monitor your system, provide remote and onsite support, and protect your network from viruses and suspicious activity.

## RUGGED MOBILITY SOLUTIONS

Mobile computing is one of GovDirect's specialties and we believe Panasonic's rugged solutions are the best in the industry. Our team members are experts when it comes to Toughbooks, Toughpads, vehicle mounts and secure software. Learn more about these solutions at our website [toughonline.com](http://toughonline.com).

## AV DESIGN AND INSTALLATION

GovDirect provides everything from audiovisual equipment to digital signage. We can even design and build your video conference room, including setup and training. Not in your budget? Rent from us instead.

## SECURITY SOLUTIONS

At the end of the day, what's most important is the safety of your data. GovDirect offers peace of mind with anti-virus software, onsite and offsite backups, and physical security for your building.

## GOV360 MAKES BUILDING SOLUTIONS EASY

### FINALLY, YOU CAN WORK WITH ONE COMPANY FOR ALL YOUR IT AND AV NEEDS.

We call it our Gov360 approach. From the Internet to your conference room, GovDirect makes IT and AV simple by planning, procuring, integrating, supporting, customizing, and managing your IT and AV infrastructure — allowing you to focus on growing your business.

As a leader in the IT industry, GovDirect's expertise is second to none. Our services are specifically developed to streamline your company's efficiency, secure critical information, minimize downtime, and ultimately enhance your bottom line.

GovDirect's AV specialists know presentation and communication equipment inside and out. Our integrated solutions include custom needs analysis, facility configuration, system design, installation, training and comprehensive ongoing service.

Meeting all your needs is the focus of our business. Whether it's computers, servers, printers, networks, software, phone systems, presentation, digital signage, video conferencing systems *or all of them*, GovDirect helps you choose the best system for your needs today and for the future.
